COLOR US NEXT IN LINE

As we proceed into our senior year, we have accomplished many things. Our accomplishments have been a reflection of the class's hard work. With our efforts we will achieve our goals. We started off the year with a dance which was a surprising success. It only got better as the Whirlybird Whoopie approached, bringing in a fair amount of money. Not everything involved fundraising, and by spring we were organizing the prom. Choosing the decorations, a theme song, the menu, and the favors were all the preparations for the prom, needed to insure success at the Hogan Center. We are happy with our progress, and hope it continues as we enter our senior year.

The 90-91 school year has been as exciting as it was productive for the Class of 1993. During the fall, the sophomores sponsored a Work-a-Thon raising over \$1,000 to benefit a classmate with Muscular Dystrophy. Their main winter project was a Christmas Semi-formal which benefitted the Marine's Toys for Tots program. A ceremony at which students received their class rings was held in February, featuring a D.J. and pot-luck dinner. Thanks to dedication and a lot of hard work, the Class of '93 has produced another successful year. Now, as they begin planning next year's prom to be held at Indian Meadows, its evident that their best is yet to come — you ain't seen nothin' yet!

COLOR US NEW

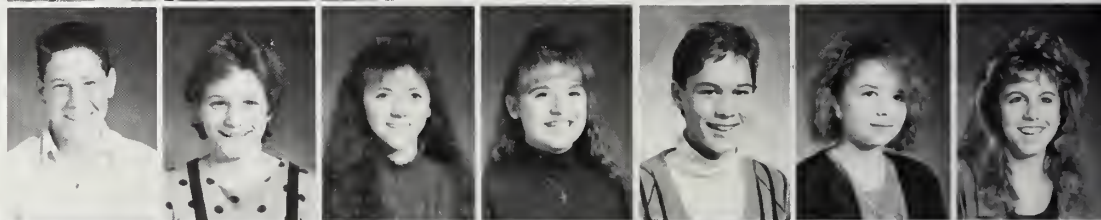

The officers of our innovative class have worked hard and productively throughout the course of our freshman year. Kelly Ormand, Christina Samsel, Erin Rudak, Megan Flynn, and the rest of our student council have shown leadership qualities that represent the attitude of our class. This year three of our classmates, Matt Libbey, Danielle Renaud, and John Beaber auditioned and won the roles of Rev. Hale, Mary Warren, and Giles Corey in the Crucible. Our boys JV basketball team had a successful season — congratulations!, and way to go to all freshmen who participated in Grafton sports. Becky Allen, a newcomer to our class, was the first freshman to make varsity field hockey. Finally, we would like to thank Mrs. Flynn for guiding us through our first year of high school, and all the Grafton High teachers.

Who's this girl? She loves chocolate and her hero is not her doll, but Tarzan!

We all know what our teachers are like in the classroom, but very few of us know what our teachers are like outside in the real world, their favorites and worsts, their high school memories, their most embarrassing moments, and even who their heroes and heroines are. Well, here's your opportunity to meet the teachers.

One question that the teachers were asked to answer was what their favorite hobby or past-time is, and we got some interesting answers to say the least! Three responses that stand out as being the most unique came from Mrs. Rector, who enjoys shopping for antiques; Mrs. Fiacco, who spends her time doing laundry(!); and — the winner for most unusual — Mr. Larivee, who fills his time throwing boomerangs! It isn't hard to guess that the top three least favorite music categories are heavy metal, or "Melted Metal" as Mr. Richardson calls it, with six votes against it, hard rock, also with six votes against it, and rap, with four votes. Mr. Lemay, Mr. May, Mrs. Petkus, Mrs. Julian, Mrs. Erickson, and Mr. Richardson are the six anti-metal voters. Mrs. Dadah, Ms. Clark, Mr. Hennessy, Mrs. Langas, and Mr. Mathieu all voted against hard rock. Mrs. Hessler doesn't like hard rock or rap, and those also against rap are Mrs. Sherman, Mr. Naughton, and Mrs. Gosselin. Some music favorites include Mrs. Erickson and Mrs. Brueggeman's all time favorite artist Elvis; Miss LaBonte enjoys her all-American motown, and finally, Mr. Lemay's favorite is Dixieland and the Glen Miller Band! And now in the political spectrum . . . The most popular politician among our teachers is without a doubt, John F. Kennedy. Among his supporters are Miss LaBonte, Mrs. Joncas, Mrs. Bedell, Mrs. Gosselin, and Mrs. Mathieu. Miss LaBonte dislikes Nixon, as do Mrs. Hessler and Mr. Lemay.

A fine cabinet maker, Mr. Dowd, spent months carving out a handsome grandfather clock, only to have it knocked over by his mischievous cat!

Isn't it ironic that Ms. Clark, who lives on yogurt and rice cakes, would much rather feast on peanut butter, pizza, and Chinese food?

On the lighter side, I feel you should know that there is a teacher among us who has a couple of very questionable heroes and heroines, both from childhood and present day. This teacher is none other than Mrs. Julian. Her childhood hero was Tarzan, and her present day heroine is the Muppet's very own Miss Piggy. Can we take this woman seriously? The teachers were also asked to reveal their most embarrassing moments, and here are some of the responses . . .

Mr. Hennessy's was when the announcements asked if anyone could claim his infamous lunch bag . . . Mr. Lemay has too many to remember (any bet they were good, too!) . . . Ms. Clark's was during the summer when she was still in high school, when she and some friends went swimming in a lake. She dove off the rocks into the lake and when she surfaced, her bathing suit did not!

And now, the teachers' favorite high school memories . . . Miss LaBonte has fond memories of "graduation night, the 9th green at the Orchard Country Club" . . . guess we should have been there! . . . Mrs. Bedell remembers "the first time (they) were allowed to wear casual clothes ('senior week')". . . Mrs. Dadah remembers "times shared with friends, whether getting together to study, go to dances/prom, school athletic events, or just conversing over the days" . . . Hopefully our own memories will be unique and wonderful. But most of all, we'll all agree with Mrs. Erickson and Mrs. Mathieu that the best memory of all is "getting out!"

Finally, as we get out, here are some words to remember and philosophies to live by . . . Mr. Naughton . . . "To learn is to live. 'If I did not learn something of value today, then I was dead today' ". . . Mrs. May . . . "No one is an island unto himself" . . . Mr. Hennessy . . . Special congratulations to Senior Captain Mic Foley, who led the squad in wins and in points scored. Mic won the SWCL meet and ran tenth in the districts, qualifying for the state championships, where he ran 80th out of 140 top runners in the state.

The 1990 GHS Cross Country team duplicated its 1989 feat of an undefeated season. The team was 12-0 in the SWCL as it was last year, and now has won 36 straight league meets. This year it has also won over Algonquin and St. Peter-Marian. It also won the SWCL Championship meet at the end of the season, and finished 5th in Division II in the District meet held in Gardner. It also participated in the Championship race at highly regarded Brown University Cross Country meet, competing with the teams from New England, New York, and New Jersey.

THE LOUDEST TEAM AT G.H.S. FIELD HOCKEY 1990

This year's season was better than the one before. I guess you could say that we keep getting bigger and better.

There were over 40 girls that were on the team this season. Our tri-captains were — Kelly Keenan, Martha Mithchell and Kristi Demers. The captains for next year are — Becky Maffei, Lauren Christini, and Pam Pelletier. We hope for the best in the season to come.

FOOTBALL: COLOR US GOING FOR THE GOAL

The 1990 football team defeated West Boylston on the morning of Thanksgiving to end their season with a record of 4 wins, five losses and a tie. Although this was slightly below the 6-4 mark of the 1989 season it certainly had all of the excitement of a successful year. Two of their losses came by teams who qualified for the "Super Bowls". Grafton lost to Division 2 Super Bowl finalist Northbridge High School by a tight margin of 12-10. Their worst loss of the season was to "Super Bowl" Division 1 winner, Narragansett High School. Their other losses were a 2 point loss to Uxbridge High School and to Assabet. All very close and exciting games. The team was led by senior co-captains Sean O'Rourke, Steve Stodulski, Dave Scichilone and David Inman. Also very prominent this year were seniors Tim O'Toole, Joe Mazzarelli, Keith Standing, Chris Donaghy and Ali Kara'a. The team decided that the captains for next year would be Steve Nickalek, Andy Greenlaw, and Chris Hurley.

Grafton lines up against Leicester.

Varsity team made up of Antti Kirjavainen, Essek Petrie, Todd Stolberg, John Cusson, Darrin Reardon, Derek Grandinetti, Shawn Reeves, Mike Murphy, Scott Dunster, Barry Lawryniewicz, Ted Azar, Jeff Poole, Erika Schonberg, Jamie Allen, Bob Leger, Dina Mitchell, Scott Townsend, Matt Winalski, Tim Graves, Tom Doane and Chris Gagne. Coach — Mr. Mike Flynn.

This season's soccer expedition began with high hopes of a team strengthened by its returning veterans and the expert tutelage and copious knowledge of coach Mike Flynn. Our defense, comprised of Jon Q-Ball, Cecil Leger, Good Hand Lawryniewicz, the banger Stolberg, Chris Lemond Gagne and Solid Reardon, was as strong as the old castle rock. The middle of the field was dominated by the unparalleled halfbacks Private Reeves, Pastaman Grandinetti, Dum Dum Graves, Epic Petrie and Flounder Townsend, aiding both defensively and offensively. Filling the nets and providing offensive creativity were forwards Red Card Allen, Wanker Winalski, Harvard Schonberg, the Dinmeister, (Give it to Ted and Mr. Finland. Leading the way with undaunted enthusiasm and skill honed to perfection were captains Pat Murphy, Stonewall Poole, Thomas Vast Basten and Diego Armando Dunster. With a notable multitude of momentous victories over the vanquished foe of Northbridge, Oxford, Keefe Tech, Whitinsville Christian, St. Peters and Burrington, this potpourri of pivotal pioneers prevailed in unprecedented performances. The rest of the games plummeted into an abyss of mediocrity, being, as they were, simply tough ones to lose . . .

BOYS BASKETBALL COLOR US SHOOTIN'

The Boys Basketball team record was 4 and 13 this year. Although we had a very disappointing record, we feel the team was very competitive. Many of our games came down to the last few minutes before they were decided. This provided many exciting moments to our student body and all our fans. The Junior Varsity's record was 11 and 7. Many of those players will help on the varsity team next season. Also, we have a number of Juniors coming back.

This year's girls basketball team was very successful. We ended with our best record in years — 9 and 9. The beginning of the season was tough, as we lost two heartbreakers to Hopedale. If we had won these two games, we would have made our district dreams a reality. Regardless, we played hard and had a lot of fun and exciting games. The Seniors are sure to miss Mr. Nelson and the rest of the team. The Seniors thank you for a great season to remember and wish you great success next year.

FOOTBALL SQUAD

The 1990 G.H.S. Football Cheerleading Squad was under the supervision of two new advisors; Mrs. Kathy McKinstry and Mrs. Linda Guida. The advisors shared with the girls new ideas and their opinions to add variety to the old cheers. With the combination of exciting stunts, cheery faces, and loud voices, our squad was one to be proud of!

HOCKEY SQUAD

This year for the first time at G.H.S., the hockey team had its own cheering squad. The cheerleaders used our football and basketball cheers to create new ones. The girls worked hard their first season proving that even hockey players need the support of cheerleaders. Great job, and we hope to see you once again next season!

Also, like the football squad, the girls were supervised by new coaches. They helped the squad through a lot, never letting them down. We were fortunate to have them.

Scott Townsend had a great year as the only goaltender. The team would like to thank their fans for their support and pep squad for getting the team psyched up. The team has a good outlook for next year. Good Luck!!

It is hard to imagine that a 9 and 7 season could be a disappointing one; however, after winning several consecutive league titles and consequent trips to the districts, finishing second is a let down. ODYSSEY OF THE MIND

Two Grafton teams competed in the Odyssey of the Mind regional competition held at Shrewsbury Middle School on Saturday, March 30. Odyssey of the Mind is a creative problem solving program intended to enhance innovative thinking with special emphasis on team work. All ideas must originate through team dynamics and all work must be done by the team. The program is sponsored by IBM.

At the start of the program the teams may choose from 4 long term problems. Grafton's choices Give and Go and Super Collider.

The Give and Go team members were required to make 4 separate devices that relay tennis balls from different locations into 4 separate targets. Each ball must be projected 20 feet to its target. A total of 40 balls may be used. Teams were scored on accuracy and creativity of their devices. This problem was non-linguistic and a theme had to be incorporated into its presentation. The team was allowed a maximum of 8 minutes to set up its devices and targets. At this rate a ball must be projected about every 3 seconds. Give and Go team members were: Tony Frederico, Chris Migala, Matt Libbey, Brian Schroder, John Beaber, and Andrew Breecher.

The Super Collider team was required to make and test a balsa wood structure weighing no more than 15 grams. The structure must hold weight and also withstand the impact of a collider which would cause twisting and vibrations. A skit was incorporated into the testing of the structure. The team was allowed 8 minutes for its presentation. Super Collider team members were: Jennifer Heck, Ryan Bardsley, Kevin Carlson, Erika Simpson, Nicole Meomartino, Michelle Ng, and Aaron Sherritt.

THE YEARBOOK STAFF — COLOR US EXHAUSTED

Work on the 1991 Yearbook began in the spring of 1990, when advisor Mrs. Julian asked for volunteers to work on the staff. Fifty students expressed interest. Two of them, Dina Mitchell and Martha Mitchell, attended an intensive three-day workshop at Bryant College in July. Then in September incoming freshmen were recruited. On September 21 Diane Nichols, Kriti Demers, Scott Godbout, Kelly Kuropatkin, Stephanie Jamiol, Tracy Girouard, Amy Castonguay, Kim Cote, Denise Caron, Carrie Wojtaszek, Jen Werth, Jen Gould, and Mrs. Julian attended an all-day workshop in Fitchburg.

Amy Horn, Lynn Ross, and Keith Standing worked on a 32-page black and white collection of candid photos called a Classbook, which seniors will receive on class night in May. Keith also took the color photo that will grace the cover of the Classbook as well as the title page of the Yearbook.

The school's book store is manned this year by Nans Neurdenburg, Kelly Kuropatkin, Scott Lopriore, and Dawn Booth. The store opens at 7:00 a.m. and closes at 7:40 a.m., selling an assortment of candy, kleenex, cough drops, pencils, notebooks, pens, magnetic locker mirrors, and book covers. The proceeds go into the yearbook's bank account and helps pay for publication of the book.

Nikki Santo, Brooke MacDonald, Chris Boberg, and Stacy Greenlaw from Mr. Dodd's art class are designing this year's unusual and creative cover.

Maid of honor Amy Horn reads a special message.

Bridesmaid Kim Whitney and usher Jamie Laino walk down the aisle toward the altar.

Personal and family living is a course in which students learn about themselves, their peers and what life has in store for them when they graduate. An enjoyable part of the course is a mock wedding which involves everyone in the class. There was a lot of planning and work involved in preparing for these weddings. For weeks students prepared decorations and made arrangements for tuxes, gowns, food and flowers. In class students went over vows and time schedules to make sure that everything would run smoothly.

The mock weddings were as close to the real thing as possible. This year there were two separate weddings, one for each class. Participants in the first wedding were: Lisa Tupper, the bride; Amy Horn, her maid of honor; and Kim Whitney and Martha Mitchell, her bridesmaids. It also included David Rynearson; the groom; Shawn Reeves, best man; and Jamie Laino and Erik Sotek, ushers. Parents of the bride and groom were John Pigaga, Nikki Santo, DeeDee Dano and Barry Lawrynowicz.

Posing for pictures with the bride and groom are their parents John Pigaga, Nikki Santo, DeeDee Dano and Barry Lawrynowicz.

Father of the bride Jason Krasinskas glances at Betsy as they walk down the aisle.

The second wedding party was made up of Betsy Adams, the bride; Amy Gonynor her maid of honor; Candy Martin and Tracy Camyre, her bridesmaids. It also included Shawn McGonagle groom, Antti Kirjavainen, best man; and David Scichilone and Tim O'Toole, ushers. Parents in this wedding were Jason Krasinskas, Stacy Nichols, Chris Hurley and Dina Mitchell.

After weeks of planning the day arrived. Class members spent part of the morning decorating the auditorium. There were wooden arches decorated with crepe paper, lights and flowers. There were also flowers and streamers along the aisle. Both weddings were a great success straight through the reception during which all students ate a turkey dinner complete with wedding cake. All the food was prepared by the foods classes.

These weddings were a lot of fun for all the students involved but were also a great deal of hard work. We would like to thank all the teachers, businesses and students who made the wedding possible and successful. This year's weddings were made a little more special with programs and songs by Joel Keith. A special thanks to Mr. Tux of Worcester and Robert L. of No. Grafton who provided all the tuxes free of charge, also to Jan, of Jan's Bridals who spoke to the classes and provided the wedding gowns free of charge.

Best man Antti Kirjavainen presents a toast to the new "Mr & Mrs".

To the Class of 1991:
 Single file and yet together,
 We have shared our greatest days,
 And we carry common memories
 In different ways.
 Though we don't know where we're going,
 We will cherish where we've been.
 I want to cry,
 I want to shout,
 Want to let this feeling out.
 I can picture us together,
 With my arms around my friends,
 Just let me hold on to this memory before it
 Goes away like laughter where words don't
